Application Disability Transit Eligibility

PLEASE READ BEFORE COMPLETING THIS APPLICATION

Dear Applicant:

The questions in PART A of this application represent the first step in the process to certify your application for eligibility to use HCT Para Transit Service. Please answer each question because the answer will assist use in determining the appropriate service to match your abilities. **HAVING A DISBILITY DOES NOT AUTOMATICALLY MAKE SOMEONE ELIGIBILITY FOR PARATRANSIT SERVICE.** Eligibility is determined based on how the disability restricts the applicant to travel to and ride the regular (big), fixed route bus. **ALL QUESTIONS ON THIS APPLICATION ARE REFERRING TO THE REGULAR (BIG) FIXED ROUTE BUS. ALL FIXED ROUTE BUSES ARE WHEELCHAIR ACCESSIBLE.**

It is your responsibility to return the completed, signed PART A and Part 1of Part B portion of the application for the certification process to HCT (See address or fax number below). You must sign Part 1 of Part B of the Medical Release Page of this form, authorizing your Licensed/Certified Health Care Professional to release information about your disability. **On the Medical Release page, please be certain to provide complete information of the Licensed/Certified Health Care Professional who can appropriately answer questions about your disability and your ability to travel.**

Part B must be filled out by your Licensed/Certified Health Care Professional. Your application will be considered complete once your Licensed/Certified Health Care Professional has completed and returned PART B to HCT. HCT will then come to a decision as to your eligibility within 21 business days once the completed application is received. If we don't render a decision within 21 days you will be granted presumptive eligibility until we provide a decision on your application.
