ABOUT NATIONAL NIGHT OUT IN HATTIESBURG

The City of Hattiesburg, in partnership with Forrest County and the National Association of Town Watch, invite you to be an active participant in this year's National Night Out event - geared toward making all of Hattiesburg's neighborhoods a safer, more caring place to live, work and play.

Introduced in 1984, National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie all across the country.

The safety of Hattiesburg's citizens and the places they live and work are rooted in a foundation of having good relationships between our local law enforcement and the neighborhoods they serve. Our city's participation in this event takes that collaboration to the next level.

Hattiesburg's citizens are the eyes and ears of our community, and they play a vital role in how our community fights back against crime. Through programs like National Night Out, we're able to connect our citizens with the resources they need and to the officers who serve them.

Because of this, we hope you'll choose to invest in how we continue to build this event to be an annual tradition - consistently awarded at the national level for its innovative approach to building relationships across the City of Hattiesburg and the number of citizens that participate.
