There came the matter of Item VI, Addition of an Item to the January 26, 2022 HPFL-MPO Policy Committee Meeting Agenda: The Proposed 2021-2022 Unified Planning Work Program (UPWP) Amendment.

A motion for approval was made by Toby Barker and seconded by Chris Bowen to approve the addition of an item to the January 26, 2022 HPFL-MPO Policy Committee Agenda, said item being a proposed Amendment to the 2021-2022 HPFL-MPO UPWP. The motion was unanimously approved.

Discussion: Lamar Rutland (City of Hattiesburg)

- The HPFL-MPO Technical Committee held an electronic voting session and voted to recommend this item.
- Perry Brown III (MDOT) verified MDOT's vote on the Technical Committee in favor of the recommendation
- All Local Public Agencies (LPAs) of the HPFL-MPO Technical Committee unanimously voted to recommend this item

There came the matter of Item VII, Approval of the Proposed 2021-2022 Unified Planning Work Program (UPWP) Amendment: The addition of an Active Transportation Plan: Blue Ways and Pathways

A motion was made by Toby Barker and seconded by Tony Ducker to approve the proposed Amendment to the 2021-2022 UPWP-an Active Transportation Plan: Blue Ways and Pathways. The motion was unanimously approved.

Discussion: Toby Barker (City of Hattiesburg) and Chris Bowen (Forrest County) and Lamar Rutland (City of Hattiesburg)

- This Amendment would direct the remaining planning funds in the UPWP budget to the creation of a Blue Ways plan for the MPO planning area and will include an update to the Pathways Master Plan, which is an Active Transportation Plan for the HPFL-MPO.
- A total project cost will not be available until a Request For Proposals (RFP) is called for the project.
- A Selection Committee will be formed by the HPFL-MPO for this project.
- All LPAs in the HPFL-MPO will have a chance to opt-in or opt-out of the project, in a similar manner to the previous Pavement Master Plan project.
- Upon opt-in, the participating LPAs will share in contribution to the local match cost.

There came the matter of Item VIII, Public Comment Opportunity

No comments were made from the public.

There came the matter of Item IX, Other Business/Local Business

Warren Byrd, Chairman of HPFL-MPO, facilitated discussions regarding:

- *Discussion: Forrest County-Country Club Road Pedestrian Bridge Project*
Follow up will be made to move this project forward for MS Transportation Commission approval
- *Discussion: Lamar County-Sullivan-Kilrain Road*
Safety concerns for this road are ongoing. As part of the I-59 paving project Phase I, MDOT has addressed this need with a plan to add a signal at Sullivan-Kilrain Road in addition to adding two ramps to the interchange at I-59 with signals. Moreover, Phase II study is underway to provide solutions at that interchange. A presentation will be made regarding Phase II to the HPFL-MPO Committees.
- *Discussion: MDOT-Clarification on the BIL Act impact upon transportation infrastructure projects*
The BIL Act (Bipartisan Infrastructure Law) will provide an increase in funding for transportation infrastructure projects. This funding will not result in a new type of program for the various state's Department of Transportation. Rather, the funding will follow the same apportionment. The projects will follow the same project approval process. This increase will possibly have enough funding for six more MDOT projects.

There came the matter of Item X, Meeting Adjournment. The next scheduled Policy Committee meeting is on April 27, 2022. There being no further business, a motion was made by Toby Barker to adjourn the meeting. The motion was seconded by Chris Bowen. The meeting was adjourned.
