MEMA D8 Hazard Mitigation Plan 2019 Hazard Identification and Risk Assessment (HIRA) Draft Comment Form

Instructions:

Please review the MEMA D8 HIRA Draft and provide any comments or information that would be beneficial to the development of the plan. All comments or questions need to be submitted through this form. I've completed an example comment for reference. Once complete, please send the comment form to Erin Buchanan, <u>ebuchanan@wittobriens.com</u>. After the comment period is over, I will consolidate all comments and address the edits within the plan. If you have any questions while reviewing the draft, please feel free to contact me.
